

Binding & Report Covers

Clean, Clear & Professional

Our Binding & Report Covers are made with high-clarity & durable high-impact clear PVC designed to keep materials protected and presentable at all times.

Keep the vibrancy of ink jet printed text and graphics through handling and use with our clear cover sheets, ideal for proposals, catalogs, reports and binder dividers.

Created with a clear glossy finish on both sides, our rigid binding cover does the job of showcasing materials effectively.

Available in stock thicknesses and a variety of sizes, we also offer varied corner styles and ready for processing materials with or without tissue.

Custom thicknesses and sizes, corner styles and tissue available upon request.
